The **PS-150 and PS-300 folding arms** are part of our large industrial arms and are specially designed for heavy-duty applications up to 150 or 300 Nm.

They offer a large working area, a considerable reach, and the necessary capacity for more powerful tools. The arms come standard with a wide range of tool holders for vertical or horizontal use.

For maximum functionality and customization, they can also be equipped with locking units (brake), dual pressure units, and a variety of other tool holders.

- *Torque capacity:* max. 150 Nm or max. 300 Nm
- *Weight compensation:* up to 30 kg
- *Balanced:* pneumatic compensation
- *Optional equipment:* auxiliary pressure and brake

Technical data

Type	Max. Load capacity	Torque	Reach		Height
			Max.	Min.	
	kg	Nm	mm		
PS-150-L-A	15	150	2000	1000	500
PS-300-L-A	30	300	2000	1000	500
